

Enviroclad UV™ Finish - Opaque & Paint Surfaces

Few things affect the mood of a design as much as color. With that in mind, we offer Marshfield DoorSystems' opaque finish doors. On Marshfield Signature Series doors Medium Density Overlay (MDO) is the standard paint grade face option. On Marshfield Accent Series doors hardboards and paint grade birch are the standard face options.

These face options are available in a range of colors, to match an interior paint, carpet or fabric. Either way, you are assured of smooth, rich pigment and Marshfield DoorSystems quality through and through. Send us your color chip (Minimum 2" x 2") to match.
