

## Veneer & Face Options - Plastic Laminates

With the wide selection of patterns available today, choosing plastic laminate can prove to be a creative, fun and fresh option to match or compliment any environment. The possibilities really are endless! And as an additional bonus to the limitless possibilities associated with plastic laminates, you also ensure uniformity and consistency in appearance when selecting this surface.

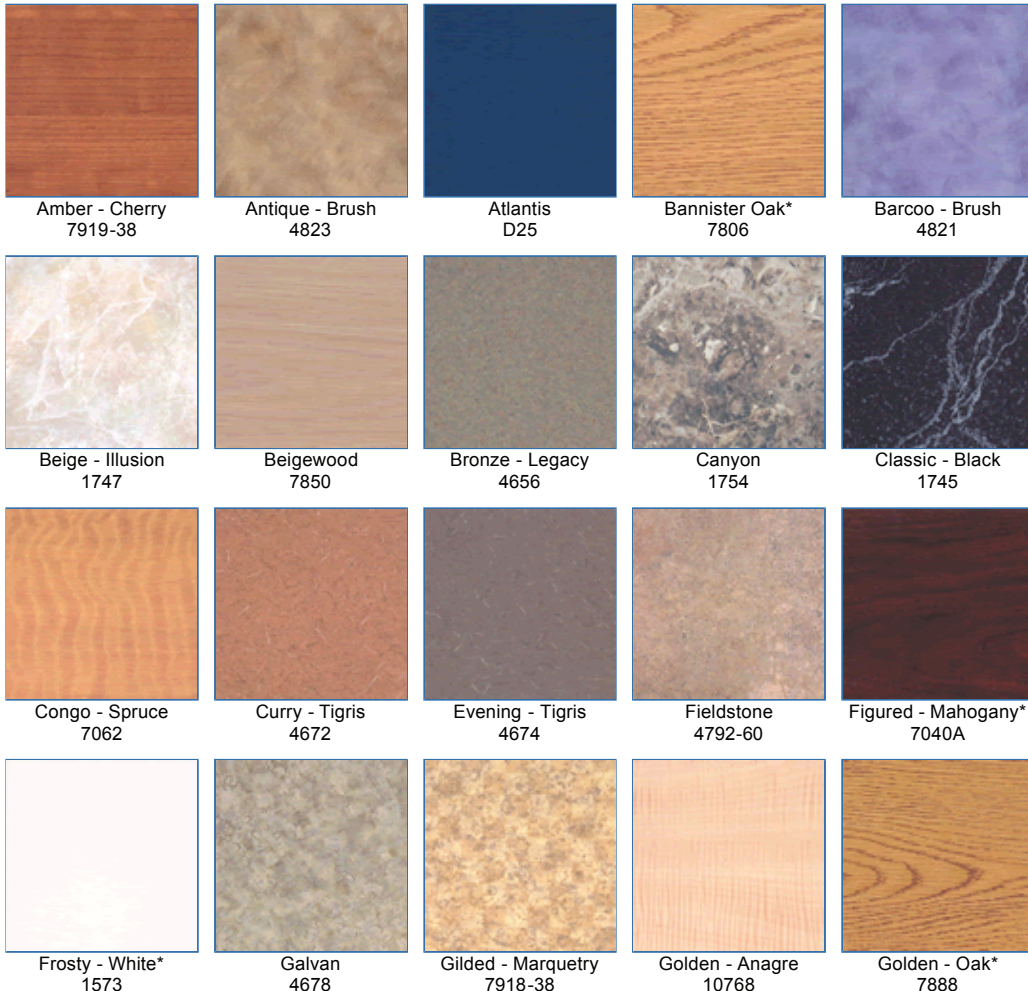

**Marshfield Signature Series™** plastic laminate doors feature such recognized laminate manufacturers as Wilsonart®, Pionite®, and Nevamar®.

Featuring a perfected edge, your Marshfield Signature Series™ plastic laminate door is guaranteed to provide you with the durability demanded in commercial applications. These doors are well suited for applications such as hospitals, schools, dormitories, libraries, offices, recreational facilities or any other commercial application.

Please see a variety of pattern samples below from Wilsonart. For more plastic laminate inspirations, visit Wilsonart at [www.wilsonart.com](http://www.wilsonart.com). After you find your inspiration, share your vision with us and we will make it a reality.
